Notes from the boss.....

I was very very proud of everyone involved in our tremendous team effort at Blackpool on Tuesday night. I always said that our clash with Blackpool was going to be close - and, boy, was it tough? They fought us every bit of the way and after the game I gave full credit to Jimmy Mullen's lads and wished them all the best for the rest of the season. If they show that same level of fighting spirit in their remaining games, they will be with us in the Third Division next year.

We have reached Wembley but we have quite a few important jobs to do before May 28th - some interesting games which will have a bearing on matters at the top and the bottom of the table.

Nevertheless I am determined that, having reached Wembley we will enjoy it. We deserve it for the way we have worked together as a team.

I include everyone in that tribute, the players, directors and supporters - I am proud of everyone who is sticking with me. I am elated for them.

The team spirit shone through on Tuesday. On the field we battled through, even after suffering the blow of conceding that penalty five minutes before the end of normal time. We thought we had done everything right up to that point and suddenly found ourselves having to start all over again.

As I say I am sure we will enjoy the

Sherpa Van Trophy Final; and I am sure Torquay will too! That result at Wolves was quite a turn up but maybe there is a lesson to be learned from it for all of us. It just goes to show that you cannot take anything for granted in this great game of ours. No team, however strongly they are tipped as favourites, has a divine right to win any game.

The lesson is worth bearing in mind today when we take on our visitors from Aldershot. They are struggling at the awkward end of the table at the moment but I can predict that they will be going all out to make life just as awkward for us as Torquay made it for Wolves.

I write this note just a short time after the terrible tragedy at Hillsborough which has left everyone in Football numbed with shock, when what should have been an occasion of pleasure turned to deep and immeasurable disaster.

The thoughts and deepest sympathies of everyone at Bolton - supporters, players, staff, management and directors are with the families and friends of those whose lives were so tragically lost and we pray for full and speedy recovery for everyone affected physically and mentally by this unbelievable event.

We must all do everything in our power to ensure that this cannot and will not ever happen again.

ALDERSHOT

Manager Len Walker has seen his side fighting for Third Division survival virtually all season and although they have made a spirited effort over the last few weeks, time may be running out for them.

Their away form this season has been very disappointing with only one victory so far at Bury where they came away with a 1-0 win. They have shared the spoils at Bristol City (1-1), Bristol Rovers (2-2), Gillingham (1-1), Mansfield (1-1), Southend (1-1), Chester (1-1) and Preston (2-2). Away defeats have been suffered at Blackpool (0-4), Brentford (1-2), Cardiff (2-3), Chesterfield (1-2), Fulham (1-5), Huddersfield (1-2), Northampton (0-6), Port Vale (0-3), Reading (1-3), Swansea (0-1), Wigan (1-2) and Wolves (0-1).

At home they had fine wins against Bury (4-1), Northampton (5-1), Preston (2-1), Sheffield Utd. (1-0), Wigan (3-1) and Chesterfield (2-0) but unfortunately they have suffered eight defeats on home soil.

Leading scorers have been Steve Claridge and Neil McDonald who until recently were tied on 7 each. Recent signing from Bournemouth David Puckett is a danger-man up front today, while goalkeeper Tony Lange is one of the top keepers in the lower divisions.

The Shots have a tough run in in their battle to retain Third Division status with tough games against Sheffield Utd., Blackpool, Notts County and Mansfield all coming up as the season draws to an end.

PEN PICTURES

Next stop was Hong Kong but on his return he joined Cardiff where he played 50 games in a season and a half before joining the Shots in December 1984.

TONY LANGE: Signed from Charlton Athletic in the summer of 1986 after previously spending a period on

loan with the Shots in the 1985/86 season. A goalkeeper who developed from apprenticeship at The Valley and made his League bow in 1983/84. Aldershot's Player of the Year in 1986/87 season.

MATCH REPORT

It was April 15th and when dawn broke, out came the sun to warm to the F.A. Cup semi-final ties and the scene was set for a possible all-Merseyside Final.

Come final whistle at Villa Park and hoards of Everton supporters rejoicingly made their way to the exits after witnessing their team's victory over Norwich. Eager to learn of Liverpool's fortune at Sheffield Wednesday's Hillsborough Ground, they were soon to learn of Britain's worst ever football disaster. As minutes ticked away the death toll became more agonising and they feared for the lives of friends who had travelled. As the sunshine disappeared, Soccer mourned its saddest day nationwide and 95 supporters had lost their lives; men, women and children among the dead.

In the following days, Liverpool's Anfield Ground became a shrine of floral tributes and Football Clubs around the country are prompted to consider removing all terrace fencing in the light of the happenings at Hillsborough.

On March 9th, 1946, 33 people lost their lives on the embankment end of Burnden Park.

Bolton Wanderers Football Club extend their deepest sympathy to the families and friends of the victims of Hillsborough.

YOU'LL NEVER WALK ALONE.

THE THIRD DIMENSION

Leaders, Wolves visited bottom placed club Aldershot, who desperately need the points but there was no shock result this time, Wolves winning 2-1. The Championship looks set to go to Molyneux. Second placed Port Vale looked to have a tricky encounter away at Chesterfield but two goals from coloured striker Darren Beckford helped Vale to a 2-1 win. Sheffield United have a game in hand and they are nicely tucked in third spot, and continued their march winning 2-1 at Northampton. Of the other end of season play-off candidates only Preston succeeded, beating Notts County 3-0 at Deepdale. Bolton earned a well earned point at Fulham in a 1-1 scoreline, Trevor Morgan the scorer. Bristol Rovers went down 2-1 at Brentford. A 5th minute Steve Elliott effort got Bury back to winning ways over Cardiff at Gigg Lane. Wigan, fighting for their Third Division lives earned a valuable three points at Swansea, and relegation haunted Blackpool did the business at Bristol City to win 2-1.

THE MID WEEK SCENE

Important Sherpa Van matches took place in the form of the respective divisional finals. Just four clubs remaining, Bolton and Blackpool from the Northern section and Wolves paired with Torquay in the South. The prize is a Wembley appearance.

Holders, Wolves leading 2-1 from the first leg looked favourites to clear the last hurdle to earn a second successive Wembley appearance.

Over 22,000 fans turned up at Molyneux expecting to see the mission completed but Torquay had other ideas and ran out eventual 2-0 winners and 3-2 winners on aggregate.

Bolton, meanwhile went to Bloomfield Road nursing a 1-0 advantage. Garner put Blackpool ahead and when the tie went into extra time Steve Thompson levelled from the spot and the Super Whites were on the way to Wembley.

NEW SIGNING

Bolton's latest signing to NIGHTLINE is from Spain. Mr. Danny Carr won £507,000 on the Pools and now resides in Benidorm. He has enrolled at the Lamb on Blackburn Road. Licensee Mrs. Helen Fielding persuaded Mr. Carr to join during his recent visit to England. Before jetting back to sunny Spain, Danny left a message for the team - "Good Luck at Wembley!"

'POST BAG'

Dear Mr. Neal,

I would, as a lifelong Bolton Wanderers fan, like to express my support for yourself and your staff. It would be nothing less than a tragedy if the minority of 'fans' who constantly barrack yourself and the team lead to you or any of the players deciding to leave this club. I'm sure that you have the experience and fortitude to ignore this vocal minority but my fear is the reaction these morons have on your wife and family and also on the players.

I find it sad that the barracking affects your young players. Do these fans not realise that young players will be less willing to try the ambitious ball if all they receive for their efforts is a cacophony of abuse. How do young players progress on this atmosphere? We have seen it all too often, players leaving the club in order to go elsewhere enjoying a new lease of life, playing for fans who appreciate their efforts. Nobody whether playing football or in another work environment prospers from abuse and manic unfounded criticism, it is support and understanding that produces results.

This club has had many structural behind the scenes problems long before your arrival and I realise that in order to get the club back into a shape that listed players would see as an attractive club to join requires hard work, time and business and community support. So please express my apologies on behalf of the unenlightened, disgustingly racist, morons who purport to be supporters of this club, to yourself, your wife and family and the players.

I do not want to lose your talent to another club which will no doubt prosper from your ability in time. So please give us some long term stability and bear with the Burden morons. Best wishes for the future and I hope to see you leading us out at Wembley in May.

Yours faithfully,

Kevan Burke (Bolton)

P.S. I would also like to express my full support for the stand taken against the racist louts in the crowd. I do not wish to support a club linked with such animals, let's nip this trend in the bud as I could never support another club other than my beloved Wanderers.

CHANNEL 4 TO SHOW FA CUP FINAL

No, Channel 4 hasn't decided to take up covering the FA Cup final at Wembley but, in its continuing tradition of showing sports that the three other channels ignore, the highlights of the **Women's FA Cup Final** are being shown on Sunday, 23rd April, 5.30-6.30 p.m., the day after the final between Friends of Fulham and Leasowe Pacific from Liverpool is played at Manchester Utd's Old Trafford ground (K.O. 2.00 p.m.)

The programme, which includes coverage of the semi-finals and introduces some of the leading players, will feature all the action from the finals. The programme is being produced for Channel 4 by Mark McCormack's Trans World International, an organisation usually associated with the more glamorous sports and stars. But as Kirsten Begg of TWI (herself no mean player for Hordsham) said "There is a lot of enthusiasm for this project at TWI. We know that this first ever national coverage of the Cup Final will be well received by the viewers and show that women's football has a future as a television sport."

There are currently 8,000 registered players in the UK making up 246 clubs. And despite the fact that countries such as West Germany, who have 600,000 registered players and Italy, where the 24 club professional league receives the sort of support some English league men's teams would envy, regularly play against the England team, the side have achieved the sort of success that poor old Bobby Robson would give his eye-teeth for (holders of the international Mundialito Cup, losing finalists on penalties in the UEFA Cup in 1984.) In addition, for absolutely no discernible reason, women's games at all levels are consistently higher scoring than men's and, of course just as exciting and skilful.

DAYS GONE BY

5 YEARS AGO: 20th April, 1984.

The Wanderers crashed 5-0 to Third Division champions elect Oxford United at the Manor Ground. Trevor Hebbard, who once wore Bolton colours during a loan spell, made the most of some slack marking to open the scoring after 11 minutes. Gary Briggs added a second before Gerry McElhinney put through his own goal. Steve Biggins made it four on the stroke of half time and John Aldridge, in his first full game for Oxford, hit their fifth.

21st April, 1984.

A first half goal from Steve Johnson gave Wigan Athletic the points from their visit to Burnden Park.

10 YEARS AGO: 21st April, 1979.

Bolton went down 3-2 at Burnden to Ipswich in a game packed with three brilliant goals and a hatful of goalmouth thrills. Frank Worthington scored the goal of the season when, with his back to goal, he flicked the ball onto his knee and over his head before racing round the Ipswich defence to hammer home a stunning left foot shot. Five minutes from half time Town produced a double blast with goals from Alan Brazil and John Wark. Brazil hit the visitors' third before Same Allardyce spectacularly headed Bolton's second fifteen minutes from time.

15 YEARS AGO: 15th April, 1974.

Bolton became the first team of the season to take three points off runaway Second Division champions Middlesbrough. A Burnden crowd of 22,246 saw John Byrom weave past three defenders before releasing a shot from 18 yards that recorded his 24th goal of the season. Bolton's second goal had quality too, coming from a perfect centre by Peter Thompson, whose arrival sparked the Burnden revival, Garry Jones doing the centre justice by timing his leap to perfection. A scrambled goal by Stuart Boam in the 86th minute was the first serious hint that Boro might stave off their fourth league defeat but the Wanderers weren't to be denied.

100 YEARS AGO: 22nd April, 1889.

Bolton defeated Scottish visitors Battlefield 5-0 at Pikes Lane with goals from Doyle (2), Weir (2) and Barbour.

23rd April, 1889.

The Wanderers went down to a surprise defeat by 4-3 to a ten man Rotherham side in Yorkshire.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

This year, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. 1989 will see further initiatives including new and better toilet facilities and additional enclosures for family support.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives £4.5 million from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it on schemes to improve standards at British football stadia.

RESERVE AND YOUTH NEWS

5th April, 1989.

Preston North End 6 - 3 Bolton Wanderers

Two experienced reserve sides created chances galore on the Deepdale plastic although the Wanderers never really looked comfortable on the surface.

Nigel Jemson was allowed time and space to shoot North End in front in the opening minute and former Wanderer, Mike Bennett, hit their second from the edge of the penalty area.

Bennett was then called into action at the other end when he cleared a Trevor Morgan header off his own goalline whilst both Nicky Brookman and Gary Henshaw were just off target with shots.

North End went further in front in the 31st minute when Steven Anderton volleyed home and six minutes later Jemson slipped in their fourth from the simplest of chances.

Jemson completed his hat trick in the 58th minute with yet another easy chance before Bolton set about reducing the arrears.

Trevor Morgan opened the Wanderers' account in the 61st minute with a shot on the turn from close range and Gary Henshaw then struck a post before North End reinstated their five goal advantage through Steven Harper.

Trevor Morgan

Although not renowned for his free kicks, **Trevor Morgan** blasted home Bolton's second from one awarded on the edge of the penalty area. He was then however guilty of the miss of the game when, from Nicky Brookman's cross, he shot over the bar from 8 yards out.

Seven minutes from time Morgan completed his hat trick when he was put clean through and kept his composure to shoot past the advancing keeper.

The action continued to the end with Anderton hitting a post in the final minute.

Young full back Dave Roberts came through his first full central league game for the club in place of the injured Gary Brown.

TEAM: Gray, Oliver, Henshaw, Keeley, Winstanley, Morgan, Callaghan, Storer, Brookman, Stubbs.

Subs: Spooner for Callaghan, Hughes (K).

SAFE HANS

In what has been such an emotional week for football, Tuesday night was a night to savour; at least it was when the final whistle finally blew around five-to-ten.

The match itself always looked to be under control, until that late penalty which to say was debatable was an understatement. Extra time arrived and for a short time it seemed the Seasiders were getting on top but justice was finally done with the late penalty, when Steve Thompson, with nerves of steel, calmly beat Barry Siddall with a perfect spot kick.

Celebrations began and the thousands of Wanderers supporters were dancing and singing (maybe drinking as well) the night away. For the second time in three years, the Whites return to the Twin Towers of Wembley at the end of May.

Well done to Torquay for overcom-

ing the odds and beating Third Division leaders Wolves. Cyril Knowles' side came from 1-2 down, to produce one of the shock results of the season in front of over 22,000 fans

It now keeps plenty of interest going right to the end of the season and hopefully the lads can keep this unbeaten run going until that very last match. In recent weeks the boo boys seem to be getting off the managers back and let's hope the support, which we all know is one of the best in football, can lift the lads well into the top half of the table.

Congratulations also go out today to captain Phil Brown, who was voted by his fellow professionals in the F.A. Third Division Team. It's nothing new to Phil who was included several times in the Fourth Division team in his days with Halifax, but the likeable Geordie has had a fine first season with the club and will now be having thoughts of rounding that off by lifting the Sherpa Van Trophy at Wembley

RECOLLECTIONS

Prior to this season our only other encounters with Aldershot at League level took place in May 1987 in the play offs for a Third Division spot.

Bolton made their first ever visit to the Recreation Ground for the first leg and escaped with a 1-0 defeat. After holding their own for more than 70 minutes, with the game goalless, the Wanderers then produced a number of defensive errors which the home side failed to punish.

The only goal of the evening came in the 77th minute when Gary Johnson raced past Dave Sutton to turn Andy King's through ball past Dave Felgate.

The second leg at Burnden took place on Sunday afternoon and although the Wanderers kept up their 'unbeaten on the Sabbath record' a 2-2 draw meant relegation to Division Four.

Five minutes into the second half Bolton levelled the tie when Tony Caldwell converted a penalty after mark Gavin had been brought down by Colin Smith.

Fifteen minutes from time substitute Darren Anderson equalised when he shot past Dave

Felgate who was crippled with a foot injury. Caldwell put Bolton back in front in the 81st minute to force extra time but Aldershot had the psychological advantage of an away goal.

Thirteen minutes into the first period Glenn Burvill scored Aldershot's second equaliser which ended Bolton's hopes of survival.

Earlier this season the Wanderers produced a professional performance to win 3-0 at the Recreation Ground. Ian Stevens headed Bolton in front from a Steve Thompson cross in the 13th minute. The second didn't arrive until the 76th minute and was again a headed goal from Stevens, this time from a Barry Cowdrill cross.

Cowdrill supplied the Wanderers' third when Shots' keeper Tony Lange fumbled his cross and Nicky Brookman hit home the rebound.

Our overall League record against Aldershot is as follows:

	Pt	W	D	L	F	A
Home	1	0	1	0	2	2
Away	2	1	0	1	3	1
Total	3	1	1	1	5	3

A REVIEW OF NATS INTERNATIONAL CAREER

WALES 2 v ENGLAND 1

No. 28

2nd October, 1955.

Following hard upon Scotland's defeat in Belfast, Wales' victory at Ninian Park over England implied a change in the balance of football power in Britain.

Whether in fact England or Scotland are left with the wooden spoon in the International Championship remained to be seen but on the evidence of this game England had a distressingly good chance.

It was a day of the spoiler and the individual with little in the way of linked approach play on either side. Matthews for once, was rarely in the picture and Finney, too, got surprisingly little change out of Williams.

The middle was effectively sealed off by the prodigious John Charles, a giant who is equally at home whether the ball is in the air, as it was all too frequently in this game, or on the ground.

In midfield it was Charles the younger who most often held sway whilst Revie, who was to be the brain behind the England attack, failed to function. His devices perhaps being too well understood by one of his providers in the Manchester City team, Paul.

Wales struck twice within 60 seconds to put themselves in control. There was some hesitation in the England defence which allowed Tapscott to gain possession of Kinsey's through pass and drive the ball high into Williams's net after 38 minutes.

This was greeted riotously enough, but then there was a shattering explosion immediately afterwards as Jones met Paul's centre precisely with his head to put Wales two up.

The second half was only six minutes old when England pulled a goal back. Byrne's long lofted pass into the Welsh goalmouth seemed to offer no threat when suddenly Charles the elder leapt at the ball and headed it, with every intention it almost seemed, past an astonished Kelsey.

England then had more of the subsequent play. Wales being upset by an injury to Paul, but the nearest they came to equalising was a remarkable back heel on the volley by Revie, to Finney's centre, which hit the crossbar.

TEAMS

England: Williams (Wolves), Hall (Birmingham), Byrne (Manchester Utd.), McGarry (Huddersfield), Wright (Wolves), Dickinson (Portsmouth), Matthews (Blackpool), Revie (Manchester City), Lofthouse (Bolton), Wilshaw (Wolves), Finney (Preston).

Wales: Kelsey (Arsenal), Williams (West Brom.), Sherwood (Cardiff), Charles M. (Swansea), Charles J. (Leeds), Paul (Manchester City), Tapscott (Arsenal), Kinsey (Birmingham), Ford (Cardiff), Allchurch (Swansea), Jones (Swansea).

WHERE ARE THEY NOW

WILLIE MORGAN *ex Bolton Wanderers*

"In my days at Bolton, I reckon the football played was better than Manchester United." That's the opinion of Willie Morgan, who still has a strong affection for the Wanderers.

He explained, "It was all down to Ian Greaves and all the trouble the Club has gone through, stemmed from his sacking. He built a fabulous team and they'll never get a man of his calibre again."

Willie still misses Bolton and remembers the days when 20,000 - 25,000 spectators turned up in his days at Burnden. He continued, "I was in Tenerife recently with George Warburton and we sat for a while reminiscing. I still see quite a lot of Frank Worthington."

Willie occasionally watches live matches nowadays. He said, "I have a private box at Old Trafford and cover the occasional game. There isn't the same players about. In my day every team had six or seven players who could play and the others were the 'kickers'. I reckon Glenn Hoddle is the best player over the last decade and it's crazy that he can't get in the England team but that comes down to coaches in the game. Give Don Howe a piece of chalk and a blackboard and he'll never lose a game."

Willie revealed that about three years ago he was part of a syndicate wanting to run the football side of Bolton Wanderers. He said, "Frank Worthington, Alan Ball

and myself wanted to buy 20% of the Club shares but sadly for Bolton Wanderers they turned us down." Instead Willie now runs his own Promotions company along with his partner John Stokes, who is a former member of the Batchelors.

Willie is responsible for Golf promotions and is currently organising Tetley Howard Keel N.S.P.C.C. Golf Classic to be held in September. Another forthcoming event is the World Celebrity Team Championship to be staged in the Isle of Man. His partner, John, concentrates on an organisation called 'Good Companions' which arranges trips for pensioners. "We also manage theatrical groups", Willie explained; "It's pleasant and keeps us involved in show business."

Willie revealed that celebrities such as Jimmy Tarbuck, Nigel Mansell, Les Dawson, Tommy Cannon, actor Robert Powell, and the Baron, Steve Forrest all support the Golf Classics. He said, "It's all to a good cause and over £60,000 has already been donated to N.S.P.C.C. He was due to have a round of golf this week with Johnny Mathis. 'Are you so good?' he was asked. "I play off eleven" he replied.

Finally, Willie enthused the Wanderers' Sherpa Van success. He said, "It's tremendous for the town and fitting for a tremendous set of supporters. I always look for their results."

Personality Profile.

This week we feature two of the young YTS players and hopefully before the end of the season we can feature most of the upcoming young Bolton players.

SIMON SHARROCK

Simon is the young goalkeeper who joined the Club last summer on a 2 year YTS. Born in Farnworth, Simon who is 17, attended Rivington and Blackrod High School, playing for his school team as well as the Bolton Town team and the Lancashire Under-18 side. Simon, being a local lad living in Horwich was always a Wanderers supporter and when Wanderers Youth coach Steve Carroll invited Simon down for training he was made up. Over the last 2 or 3 years he trained regularly on a Thursday night down here at Burnden before signing for his 2 year YTS.

So far this season he has played mainly for the Youth and 'A' team. He gave a good account of himself in the F.A. Youth Cup games against Huddersfield and is hoping to get an opportunity in the Reserve side in the not too distant future. He names his dad Les, mum Anne and brother Martyn as big influences on his career so far, as well as naming senior goalkeepers Dave Felgate and Garth Gray for their helpful advice. 'Plug' as he is nicknamed by his team mates (for what reason we couldn't find out) will shortly be taking his driving test, and while he is relaxing away from the game he likes to listen to pop music and watch the telly.

NEIL HART

Another local lad who is in his first year with the Club is Neil Hart; born and bred in Bolton, Neil lives in the Bradshaw area. He was captain of his school which was Turton High as well as representing Bolton Town team, Inter League Under-15's and Greater Manchester County.

Neil trained with the Wanderers as a schoolboy as well as having offers to join Manchester City, Port Vale and Burnley. He opted to join his home town club and signed a 2 year YTS last summer. In the short time he has been with the Club he has been plagued with injury, firstly with a thigh injury and then more recently a back injury keeping him out for nearly two months. Neil has just returned to the 'A' team and is working hard to try and get a chance at Reserve level. He has mainly been operating in midfield but has also played centre half as well.

His dad Kev, mum Marilyn and brother Andrew have backed him all the way in his short career so far, as well as having help from the coaching staff down here at Burnden. His fellow apprentices have nicknamed him 'Vinney Jones' not so much for his playing style but for his 'short haircut'.

Neil has had a lot of help and advice from Mark Winstanley while he has been with the Club and hopefully now his injuries have cleared he will be able to show his potential.

Away from the game, he likes to play cricket, representing Bradshaw in the Bolton League.
